

Use of administrative resources

In one of the buildings in the town of Lanchkhuti, Lanchkhuti Municipality, which houses several non-entrepreneurial (non-commercial) legal entities (N(N)LEs) of the Lanchkhuti Municipality, we have observed election campaigning materials posted on the doors to the rooms of N(N)LE Tekservisi (director – Irakli Chkhaidze). The campaigning materials are stickers of political association Georgian Dream featuring circled number 41.

In connection with the aforementioned, the GYLA has filed applications in the Lanchkhuti District Election Commission No. 61 and the Interagency Commission for Free and Fair Elections.
