The paintings and plays depicted personal reflections on how problems related to domestic violence are reflected on individual psychics.

The winning paintings were created by:

1. Medea Kirimeli
2. Tamta Merabishvili
3. Teona Rusitashvili
4. Irakli Minashvili

The winning play was created by Manana Tarashvili.

The winning paintings and the play will be used in a campaign aimed at raising public awareness in frames of the project Raising Awareness of IDPs on Gender-based Violence, Integration and Rehabilitation.
