

Election Day Results by 12:00

By 12:00, the electoral process is calm. Majority of the polling stations observed by GYLA were ready for the first voter, in a timely manner. Majority of those polling stations were properly equipped.

The following violations were revealed by now:

Failure to properly perform the functions of an electoral commission member:

- At the precinct #15 of the Borjomi district, the number of issued ballots exceeded the number of voters □ signatures in the voters □ list (one extra ballot was issued). According to the electoral commission member, they and the voter both forgot to make a signature in the voters' list;
- At the precinct #22 of the Ozurgeti district, two commission members turned up late, because of which they failed to participate in the casting of lots for the

randomized division of functions.

Violations, related to the mobile ballot box:

- At the precinct #25 of the Borjomi district, the supervisors of the mobile ballot box took 16 ballots and 14 envelopes with them. They explained that while travelling by car, 3 envelopes accidentally slipped into the box (GYLA [] observer lodged the complaint at this polling station, requesting invalidation of the mobile ballot box results);
- At the polling station #12, the mobile ballot box was returned to the polling station at 10:00, already sealed. Later on, one of the voter [] family member has complained that their parent was not able to vote through the mobile ballot box, due to which the commission decided to take the mobile ballot box to the voters for the second time. After the remark by GYLA [] observer, the mobile ballot box was left at the polling station;
- At the polling station #42 of the Ozurgeti district, the registration place of the first voter was not indicated at the control sheet;
- At the polling station #1 of the Khashuri district, voter placed the envelope to the mobile ballot box, instead of the primary ballot box;
- At the polling station #29 of the Khashuri district, 49 ballots were present in the package, instead of 50.

Violating the secrecy of vote:

- At the polling station #37 of the Ozurgeti district, the voter willingly demonstrated their choice to the Georgian Dream representative.

Control over voters' will:

- At the polling station #10 of the Borjomi district, the observer of the monitoring
